### Tall Ships in Boston

*From June 17-June 22, over 50 tall ships will descend on Boston as part of Sail Boston 2017. There are nine types of Tall Ships, and most will be on display at various piers in and around Boston Harbor. Many will be open for public tours. To help you appreciate what is on display, read our guide of the Tall Ships on tour.*

## Fan Pier

If you have little time and want to explore the most ships at one venue then, this is your stop. Nineteen ships are berthed here including "El Galeon," one of two fully-rigged ships on display, the most topsail schooners and schooners, and one barque.

**Best way to get there:** Silver Line to Courthouse terminal.
